

HONORING OUR VETERANS

On Saturday, November 7th *Real Estate with Russ*, with the help of our local Boy Scouts and anyone else who would like to participate, will place flags in front of each Ranch home. For a Veteran's home, we will also include a flag from the branch of military in which they served.

If you would like to participate, are a Veteran or have a loved one that served in the military, please contact us at 949.383.0830 so we can honor you and your family. **TODAY** is the last day to let Russ (or your District Director) know your Veteran status. Let us know your name, address, when you served and in what Branch of the Military.

The event will run from about 8 a.m. till noon on November 7. When we finish placing the flags, we plan to gather at The Ranch Park around 10:30 or 11 a.m. for an opportunity to celebrate our Veterans and enjoy refreshments.
