

THE RANCH HOMEOWNERS' ASSOCIATION
Bylaws Revision Process
October 18, 2026

During 2026 The Ranch HOA Board of Directors took on the tedious task of a Bylaws revision. Our current bylaws were outdated, disorganized, and in need of a comprehensive update to bring the bylaws up to needed organizational status as required by California corporation law.

The RHOA Board has now approved the revision and are asking current RHOA Members to read the proposed revision for 2027. We are also providing our current 2026 RHOA Members with the opportunity to submit comments through December 9, 2026. Please use the supplied link below to easily submit comments or send an email to president@rhoa.org. Only 2026 RHOA Member responses will be accepted and recorded. Membership will be verified. Comments must include Name, Ranch Address, and email address to be verified.

A membership vote will be taken at our 2027 General Membership Meeting on January 9, 2027, at 10 AM at The Ranch Park. Only paid 2027 RHOA members will be able to vote.
